

**INSTRUCTIONS FOR TRAVEL RISK ASSESSMENT FORM**

**For Travellers Who DO NOT Require Malaria Medication**

Please complete:

- The whole of Page 1
- Page 2 down to where you are asked to sign and date

The rest of the form will be filled in during your appointment by our Travel Health Nurse

If you do not know your vaccination history dates please try and contact your GP to get your vaccination history before attending your appointment. If this is not possible please at least tick which vaccinations you know you have had in the past, the nurse will fully discuss this with you during your appointment.

**For Travellers Who DO Require Malaria Medication**

As above but please also complete

- Page 6: the Malaria Risk Assessment.

**If you are unsure whether or not you need Malaria medication for your trip then please make sure you have filled out pages 1 and 2 where necessary, should you then find out malaria medication is necessary the travel nurse will go through the risk assessment with you.**
